Compare with para 2 in present NSCID No. 2 be transmitted immediately to the field representative of the agency most concerned, who shall then be responsible for its onward transmission.

Incorporated in para 3 above ~~5. -- Full utilization shall be made of the individual initiative and favorable contacts of agency representatives.~~

Compare with para 7 in present NSCID No. 2 5. Intelligence information shall be provided to meet the recognized needs of each department and agency for intelligence usually obtained by other departments or agencies, and there shall be free and unrestricted interdepartmental exchange of such intelligence information.

~~6. -- No interpretation of these established over-all policies and objectives shall negate the basic principle that all departmental representatives abroad are individually responsible for the collection and for the appropriate transmission to their departments of all intelligence information pertinent to their departmental missions.~~

~~7. -- There shall be free and unrestricted interdepartmental exchange of intelligence information to meet the recognized secondary needs of each department and agency for intelligence usually obtained or prepared by other departments or agencies.~~
